

GRAND TOUR STOCKHOLM

A GUIDED 2 HOUR JOURNEY

Discover the breathtaking beauty of Stockholm from the water with this complete tour! From iconic bridges to picturesque waterfronts; embark on an adventure along the gateway connecting Lake Mälaren with the Baltic Sea. Enjoy the views of the famous City Hall, the Swedish Parliament and the mythical Vasa Museum.

This unique tour of Stockholm not only guides you through the bustling capital, but also through the extraordinary Swedish Archipelago. Experience the magnificent wildlife that inhabits the many islands while uncovering the fascinating rich history of the area and learn about the perhaps most famous of them all, Fjäderholmarna Island.
